

Brand: Ranger

Model: RFJ-3000AL

Description: 1-1/2 Ton Aluminum Racing Quick Jack

Feather-Light Aluminum Racing Jack

The Ranger model RFJ-3000AL Aluminum Racing Jack is made of the strongest aircraft alloy aluminum available. Not only does it weigh in at a feather-light 39 lbs., but it gets any racecar or hotrod a full 17-3/4" off the ground in just 4 pumps of its knurled aluminum handle. With a low 3-1/2" profile front-roller, the RFJ-3000AL floor jack is perfect for working on ground-hugging, low ground-clearance performance vehicles.

Features

- Lightweight for easy portability
- Aircraft grade billet aluminum design
- Low profile single piece front roller
- Oversized knurled aluminum handle
- Fast 4-pump operation gets cars up quick
- Reaches full lifting height with just 4 pumps
- Dual-plunger pump assembly
- Roller-cam plungers and u-joint release
- Alloy-plated ram
- Double-sealed hydraulics for longer service life
- Built-in safety overload valve
