

**Brand:** Ranger

**Model:** RML-600

**Description:** Pneumatic Motorcycle Lift Platform with Front-Wheel Vise

### Legendary Pneumatic Motorcycle Lift

The design of this motorcycle and ATV lift platform is legendary – 12-gauge steel construction, retracting rear wheel deck and totally extendable side and front tables when combined with the optional lift package. Dependable pneumatic design provides years of trouble-free performance.

Need an extra boost? Check out the RML-800 Motorcycle / ATV Jack. Or if you are looking for a more robust feature-set and the ability to lift an additional 650 lbs., consider the RML-750HD.
