See for yourself how 2 extra drawers can make all the difference in the efficiency of your garage or shop—if those drawers come from Ranger. The Ranger RTB-2D 2-Drawer Tool Chest Add-On was designed to be the perfect starting point for a new garage or an expansion kit for your existing setup. This tough little unit features 1 standard sorting drawer for your regular tools and 1 deeper sorting drawer for your larger equipment. Constructed out of exceptional materials, this industrial tool chest weighs a solid 30 lbs. without anything in it! The RTB-2D also comes equipped with a protective rubber top mat, turning your new 2-drawer tool cabinet into a convenient mechanic's workstation. And if you ever need more storage, you can safely place a RTB-7DC 7-Drawer Tool Cabinet under your RTB-2D and stack the RTB-9D or RTB-10D on top.
