

**Brand: Ranger****Model: RTB-8DT****Description: 8-Drawer Super-Wide Top Tool Chest with Lid****An Expansion Kit For Your Existing Setup**

Ranger has developed the RTB-8DT 8-Drawer Super-Wide, along with the entire Super-Wide series, to outlast and outperform the rest. Top-notch materials, rugged construction, superior design, generous space, tons of features and killer looks are all part of what makes these tool chests pure Ranger. This unit is designed to be the perfect starting point for a new garage or an expansion kit for your existing storage setup. The RTB-8DT is Ranger's top-of-the-line tool chest topper and it features 4 standard-width drawers and 4 extra-wide drawers. The proof of quality is in the weight of the chest, and this beast weighs a whopping 142 lbs. without a single tool in it! The RTB-8DT also comes equipped with a double-rolled, heavy-duty hinged top lid and chrome stays, so your hands aren't in danger when you're finding the right tool for the job. And if you ever need even more storage, safely stack the RTB-8DT on top of the RTB-13DC 13-Drawer Tool Cabinet. That's the beauty of the entire Ranger tool storage system: the superb modular design allows your storage space to grow at the same rate as your tool collection.
