Description: 9-Drawer Top Tool Chest

An Expansion Kit For Your Existing Setup

Total versatility is Ranger's creed when it comes to providing you with the best tool storage solutions. That's why the Ranger RTB-9D 9-Drawer Tool Chest is designed to be the perfect starting point for a new garage or an expansion kit for your existing setup. This robust unit features 6 small drawers for your odds and ends, 2 standard sorting drawers for your regular tools and 1 deeper sorting drawer for your larger equipment. Constructed out of exceptional materials, this industrial tool chest weighs a solid 70 lbs. without anything in it! The RTB-9D also comes equipped with a double-rolled, heavy-duty hinged top lid with chrome stays, so your hands aren't in danger when you're finding the right tool for the job. And if you ever need more storage, you can safely place the RTB-7DC 7-Drawer Tool Cabinet and / or the RTB-2D 2-Drawer Tool Chest Add-On under your RTB-9D. That's the beauty of the entire Ranger tool storage system: the superb modular design allows your storage space to grow at the same rate as your tool collection.
