

Brand: Ranger

Model: RTJ-660

Description: 660-lb. Transmission Jack

Everything You Want in a Telescopic Transmission Jack

The RTJ-660 is everything you want in a telescopic transmission jack and nothing you don't. Made from the same high-quality materials as its larger brothers, the RTJ-660 is the perfect blend of rugged reliability and affordability. The RTJ-660 safely lifts 660 lbs. with ease, making the removal, transfer and installation of transmissions, transaxles and other drive-train components a snap. Compare Ranger transmission jacks with any other brand and you will see why we're America's favorite.
