## ATV and Motorcycle Tire Changer Clamp Kit

This ATV wheel clamp kit includes a set of four clamp adapters for use on Ranger NextGen™ [tire changers](#), as well as an ATV mount/demount head. Ranger's wheel clamps are ideal for anyone looking to perform service on most ATV tires; they'll also service motorcycle and ATV wheels. The elevated clamp kit increases external wheel clamping capacity and features a robust steel construction for heavy-duty use. An anodized finish provides an additional layer of protection, while the quick-release, spring-loaded locking pin keeps clamps secured safely to table.
