

## LEARN ABOUT ERGOCHAIR

The ERGOCHAIR adjustable-height rolling work seat makes performing awkward work tasks ergonomically easier and safer for those who needs to lie down, bend or contort their body to perform repetitive work duties, especially car and airplane mechanics, heavy-equipment technicians and factory and assembly line workers. The ERGOCHAIR works both as a chair and creeper featuring four swivel castor wheels that ensure stability and a full range of mobility. The ERGOCHAIR can move smoothly in all positions whether raised, reclined or lowered greatly relieving the stress on your back and other parts of your body while working.

### REDUCES FATIGUE

Good ergonomics ensures that you can work comfortably which increases productivity and efficiency and reduces fatigue. The ERGOCHAIR is a purposefully made adjustable height rolling work seat that prevents back and neck pain and minimizes awkward positioning which helps you to perform the tasks at hand with ease while maintaining a good posture.

The ERGOCHAIR, with an adjustable seat height and backrest that adjusts up, down, back and front, allows you to move more comfortably throughout the day keeping your body and mind fresh and focused. Leading companies understand that investments in employee wellness which includes ergonomic engineering reap productivity benefits. Regardless of size, the ERGOCHAIR can be a worthwhile investment for all organizations.

## ESSENTIAL FEATURES

- Multi-adjustable seat height
- Easy-lift height adjustment
- Six locking heights
- Automatic locking
- Comfortable thick-padded seat and backrest
- Durable construction
- 350-pounds rated capacity
- No assembly required
- Heavy-duty ball-bearing TPR swivel casters
- TPR wheels feature a shock-absorbing cushioned ride, while providing good floor protection and quiet rolling operation.
- TPR wheels are resistant to chemicals, acids, alcohol, and water. (\*\*)
- Wide, large diameter wheel improves rolling over rough surfaces
- Powder coated welded-steel tubular frame
- Heavy-duty non-slip textured marine-grade vinyl
- Tool trays and parts storage
