The Ultimate Low-Ceiling 2-Post Lift
With an overall width just over 10 feet, the incredible GrandPrix™ saves space and fits where other lifts don’t. GrandPrix is safer and more reliable than other low-ceiling two-post lifts, and we prove it with a best-in-the-business 5-year warranty. Without question, GrandPrix is the only low-ceiling lift worthy of a place in your garage.

What’s unique about the GrandPrix™ GP-9 series by BendPak™? This four-post car and light-duty truck lift has been terrifically tailored for home garages and car enthusiasts of all experience levels. It benefits by combining the rugged and dependable nature of hydraulic power with the simplicity and safety of mechanical operation.
