## RECHARGEABLE WORK LIGHT

**LS36SMD**

 **FREE SHIPPING**

LITESTIX™ LS36SMD is a versatile LED portable work light designed for heavy-use. A total of 36 super-bright LED bulbs provide brilliant lighting coverage anywhere you need, perfect for night time and other low-light projects. The LITESTIX™ LS36SMD includes a large-capacity 4,000 mAh Li-ion battery that has been thoroughly tested to last up to 4.5 hours of continuous use. An impact resistant polycarbonate light housing, all-steel telescoping light tube holder latches from 49.5" to 79.75" lengths, and two swivel-head mounts with built-in magnets provide all the flexibility and versatility to illuminate your next project.
