Total Protection for All Wheel Types

The wheel protection kit offers you more ways to save those wheels on Ranger [tire changers](#). It comes with (3) roller replacement inserts, (3) duck head underside slides, (4) turntable clamp covers and (2) bead breaker blade covers. If you specialize in delicate alloy wheels, then you need this optional wheel protection kit.

Features

- 3 roller replacement inserts
- 3 duck head underside slides
- 4 turntable clamp covers
- 2 bead breaker blade covers
