Transform Your Hot and Stuffy to Cool and Breezy

The portable Cool Boss CB-12 makes its cooling magic by providing an endless supply of evaporatively cooled air to a directed area. Simply position the portable Cool Boss CB-12 to your selected area, add and maintain the 15-gallon water reservoir, plug in-to 220V electrical outlet, and turn on the unit. The process works with evaporative cooling as water is pumped to the top of the Honeycool™ cooling pad. Then as the water cycles down, a portion of the water evaporates across the pad, and a cooling effect occurs.

OSHA law requires workplaces to be free from heat exposure risks. With Cool Boss you will be keeping your employees healthy and productive, and it will only run you about a dollar a day. Can't beat that right?

A 12" diameter Blue Flex™ axial-flow fan powered by a 1/3 HP motor propels the cooled air outward to the directed area. Select any level of cool air volume you wish from three fan-speed settings up to 1,600 rpm. The portable space-saving CB-12 features automatic swing-louvers that oscillate to sweep a wide cooling area, expanding the cooling coverage to as large as 650 square feet. It's a small cooler that packs a big area-cooling punch.

Features

- Oscillating auto-swing louvers
- Blue Flex™ axial-flow fan
- 15-gallon reservoir
- User-friendly controls
- Automatic water source shutoff
- Honeycool™ evaporative media
- 3-speed fan
- Antibacterial housing
- Space-saving design
- Water inlet flow control
- Durable swivel casters
- GFCI plug
- UL® certified

Specifications

Fan Diameter	12" / 305 mm
Fan Speed	3-Speeds
Max. Airflow	1,565 CFM
Louver Style	Automatic Swing Louvers
Water Consumption	0.5 - 0.75 Gal / Hr
Water Capacity	15 Gal (57 L)
Dimensions	27" W x 22" D x 45" H (686 mm x 559 mm x 1,143 mm)
Weight	73 lbs. (33 kg) - 198 lbs. (90 kg)
Media Dimensions (ea)	22" H x 8" W x 4" D (559 mm x 203 mm x 102 mm)
Effective Cooling Area	650 sq. ft.
Casing Construction	ABS Plastic
Power Cord Length (ft)	15'
Noise	69 - 79 dB
Power Supply	220V/60 Hz (110V Optional)*

*Optional voltage available upon request.
