

LITESTIX™

RECHARGEABLE WORK LIGHT

LS36MDX

SKU# 5150063

 **FREE SHIPPING***

LITESTIX™ LS36MDX is a versatile LED portable work light designed for heavy-use. A total of 36 super-bright LED bulbs provide brilliant lighting coverage anywhere you need, perfect for night time and other low-light projects. The LITESTIX™ LS36MDX includes a large-capacity 2,600 mAh Li-ion battery that has been thoroughly tested to last up to 7 hours of continuous use. An impact resistant polycarbonate light housing, all-steel telescoping light tube holder latches from 49" to 79" lengths, and two swivel-head mounts with built-in magnets provide all the flexibility and versatility to illuminate your next project.
