

Wheel Spotting Dish Kit

Two-Post Accessory

SKU# 5215875

POSITION EVERY VEHICLE PERFECTLY

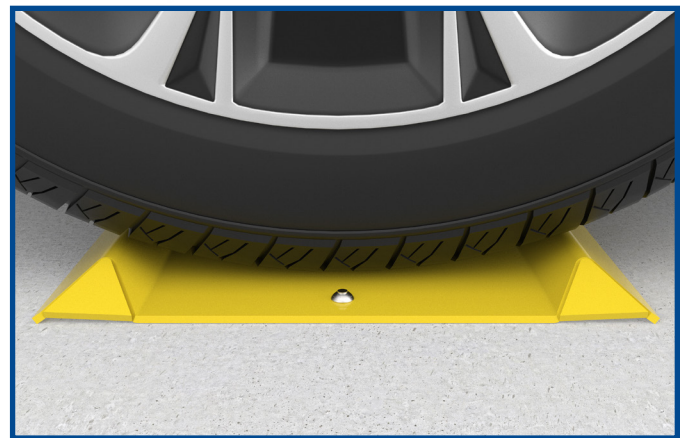

Make every lift entry smooth, safe, and precise with BendPak's Wheel Spotting Dish. Crafted from heavy-gauge steel and engineered for everyday shop use, these spotting dishes help guide vehicles into the ideal spot, making lift setup faster and more efficient.

Whether you're servicing cars, trucks, or SUVs, BendPak's Wheel Spotting Dish delivers the accuracy technicians need and the durability shops demand. Built to outlast and outperform, it's the perfect accessory for any professional vehicle service environment.

Beyond the shop, it brings the same level of control and convenience to any home garage. It serves as a reliable parking aid when space is tight and you need to stop in the exact same spot every time.

FEATURES

- Compatible with most 2-post, above-ground, or in-ground lifts
- Heavy-duty steel construction resists bending, cracking, and warping under daily use
- Anti-slip ribbed surfaces provides superior tire traction during positioning
- Wide-dish design accommodates passenger vehicles, trucks, and light SUVs
- Low-profile ramp angle ensures smooth, effortless vehicle alignment
- Corrosion-resistant powder-coated finish stands up to oils, grease, and harsh shop environments
- Precision-formed edges keeps wheels centered without overcorrection
- Dimensions: 14" x 12" x 1"
- Includes two 8mm x 50mm anchors
