Tall Adapters are Ideal for High Ground-Clearance Vehicles

Adapter Pins are great for altering the height of your two-post lift to reach even the most difficult lifting points on your vehicle. When combined with other two-post lift accessories, Adapter Pins help customize your lift height to fit your needs.

Features

- Tall adapter for BendPak two-post lifts
- 35 mm or 60 mm pin
- Fits screw-pad assembly
- Sold in sets of four
